MEMORANDUM OF GROUND LEASE

THIS MEMORANDUM OF GROUND LEASE (this "Memorandum") is entered into between SIDNEY SPIEGEL, AS SUCCESSOR TRUSTEE under the provisions of a certain Trust Agreement dated October 25, 1984 and known as Trust No. 31520371 and ISLAND PROPERTIES OF PALM BEACH, INC., a Florida corporation (collectively, "Lessor") and STERLING PALM BEACH, LLC, a Florida limited liability company ("Lessee").

WHEREAS, Lessor and Lessee have heretofore entered into that certain Ground Lease dated March 31, 2008 (the "Lease") whereby Lessee has leased from Lessor that certain property located on the Island of Palm Beach in Palm Beach County, Florida, as more particularly described in Exhibit "A" attached hereto (the "Ground Leased Premises"); and

WHEREAS, Lessor and Lessee desire to execute this Memorandum of Lease to evidence the Lease for the purpose of placing the same of record in Palm County, Florida.

NOW, THEREFORE, in consideration of the sum of Ten (\$10.00) Dollars and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agree as follows:

- (1) The recitals set forth above are true and correct and are incorporated herein by reference.
- (2) Lessor and Lessee have entered into the Lease on the date specified above and Lessor has leased, and does hereby lease, the Ground Leased Premises to the Lessee upon the terms and conditions of the Lease, which are incorporated herein by reference.
- (3) The term of the Ground Lease is for an initial period of fifty (50) years commencing on April 1, 2008 (the "Initial Term"). The Initial Term will be

automatically extended for nine (9) successive periods of five (5) years each and one period of four (4) years (the "Extension Terms," and together with the Initial Term, the "Term") unless Lessee provides written notice to Lessor of its intent to terminate the Lease no later than six (6) months prior to the expiration of the then-applicable term.

(4) Lessee shall not suffer, create or permit any mechanic's liens or other liens to be filed against the fee of the Ground Leased Premises by reason of any work, labor, services or materials supplied or claimed to have been supplied to Lessee or anyone holding the Ground Leased Premises or any part thereof through or under Lessee. Pursuant to applicable law, Lessor's interest as herein described shall not be subject to liens for improvements made by Lessee or any sublessee. Nothing contained herein will be deemed or construed to prohibit or limit in any way Lessee's right to encumber its leasehold interest as described in Article 15 of the Lease.

(5) Lessee shall have the exclusive right to deal with all governmental issues related to the Ground Leased Premises. In furtherance thereof, Lessor has, and does hereby, appoint Lessee its true and lawful attorney-in-fact to have power and authority, in the name, place and stead of Lessor, to do any and every act and exercise any and every power that the Lessor might or could do in connection with such governmental issues, as fully, and for all intents and purposes, as Lessor might or could do if personally present, with full power of substitution, hereby ratifying and confirming all that the Lessee shall lawfully do or cause to be done by virtue hereof.

(6) The Ground Leased Premises is not now and will not be at any time during the Term subject to any mortgage, lien or judgment created or suffered by Lessor. Moreover, Lessor will not amend or modify any Permitted Encumbrances (listed on Exhibit "B" hereto) nor create or consent to the creation of any additional easements, rights of way, encumbrance, lien, restriction or other matter which is not a Permitted Encumbrance (the "Objectionable Items"). Any such Objectionable Item will not be binding upon or otherwise enforceable against Lessee or its successors and assigns unless Lessee has expressly and in writing, consented to said recordation or imposition; any such purported Objectionable Item to which Lessee has not consented shall be void.

(7) The Lease contains the following right of first refusal in favor of Lessee:

Section 10.2 Right of First Refusal. Prior to transferring its interest in the Ground Leased Premises and the improvements, Lessor must first have offered the sale of same to Lessee in accordance with the following provisions. First, Lessor must give notice in writing (the "Transfer Notice") to Lessee stating Lessor's desire to accept a bona fide third party offer to purchase the Lessor's interest in the Ground Leased Premises and stating the price and other material terms proposed for the transfer (collectively the "Offer Terms"). The identity of the third party offeror with a copy of the proposed contract with the third party offeror shall be attached to the Transfer Notice. Within ten (10) business days after receipt of the Transfer Notice, Lessee shall have a right of first refusal to acquire the Ground Leased Premises proposed to be transferred, pursuant to the Offer Terms. To exercise the right of first refusal, Lessee must within said ten (10) business day period provide written notice to Lessor of its election to exercise its right of first refusal. No later than fifteen (15) days thereafter, Lessee will cause to be prepared, and must execute and deliver to Lessor, a contract to acquire said assets containing the Offer Terms and such other terms as the parties may agree on provided that such other terms must be reasonable and customary for a transaction of such type. If a Transfer Notice is given and Lessee has not exercised the right of first refusal within ten (10) business days after receipt of the Transfer Notice, or if having timely exercised the right of first refusal, Lessee does not timely execute and deliver the contract, then the right of first refusal set forth herein shall automatically expire and

Lessor thereafter shall be free to sell the assets pursuant to the Offer Terms. In the event that within said period, as the same may be extended in the ordinary course of closing, Lessor does not consummate the sale transaction, then the provisions of this section shall thereafter apply to any subsequently proposed sale of any of Lessor's interest in the Ground Leased Premises or the improvements. Without limiting the foregoing, it is understood and agreed that Lessee's election not to exercise its right of first refusal shall not prejudice Lessee's rights hereunder as to any subsequent offer or any materially revised Offer Terms (i.e., in the event the Offer Terms rejected by Lessee are materially changed Lessee's rights hereunder will be immediately and automatically reinstated). Notwithstanding the foregoing, Lessee will not be obligated to satisfy any conditions or requirements contained in the Offer Terms which are not reasonably susceptible of satisfaction by it so long as Lessee agrees to consummate the transaction upon terms and conditions which are substantially equivalent to those contained in the Offer Terms. Lessor covenants that it shall accept no offer or convey its interest in the Ground Leased Premises until it has complied with the terms of this Section 10.2. Any conveyance of Lessor's interest in the Ground Leased Premises made in the absence of full satisfaction of this Section 10.2 shall be void. Lessee may enforce this Section 10.2, without limitation, by injunction, specific performance or other equitable relief. The terms and conditions contained in this Section 10.2 shall be binding upon the heirs, successors and assigns of Lessor and will be reflected in the Memorandum of Lease. The acquisition by Lessee, Lessee's lender or their respective successors and/or assigns of Lessor's interest in the Ground Leased Premises pursuant to this Section 10.2 or otherwise, shall not work a merger of the fee simple interest and leasehold interest under this Lease unless such party elects in writing to do so. Notwithstanding anything contained herein to the contrary, a sale(s) or transfer(s) of a beneficial interest in the Trust Agreement dated October 25, 1984 and known as Trust No. 31520371 and/or an ownership interest in Island Properties of Palm Beach, Inc., a Florida corporation will constitute a sale for purposes of this Section 10.2 unless such sale(s) or transfer(s) (i) do not, in the aggregate during the Term and any Extended Term, exceed fifty percent (50%) of the total beneficial interests in the Trust Agreement dated October 25, 1984 and known as Trust No. 31520371 and/or ownership interests in Island Properties of Palm Beach, Inc., a Florida corporation (i.e., Sidney Spiegel or his heirs continue to own a majority of such beneficial and ownership interests), (ii) are to family member(s) of the owners of the beneficial interests and/or ownership interests or to trusts established for the benefit of such family members, (iii) are to the estate of the owners of the beneficial interests and/or ownership interests or family member(s) of such owner(s) and/or (iv) occur by operation of law upon the death of a natural person that was the holder of such beneficial interest and/or ownership interest so long as such transfer is to an immediate family member of such interest holder or a trust or family conservatorship established for the benefit of such immediate family member.

(8) The Lease contains the following right of first offer in favor of Lessor:

Section 10.3 Right of First Offer. If, at any time during the Term or any Extended Term(s), Lessee decides to sell its leasehold estate, Lessee shall initiate the sale procedure set forth in this Section 10.3 by giving written notice (a "Sale Notice") to Lessor. The Sale Notice shall be given prior to the solicitation by Lessee of third-party offers for the proposed sale. The Sale Notice shall refer to this Section 10.3 and set forth (i) the proposed sale price for Lessee's leasehold estate (the "Sale Price"), (ii) the basic deal terms (i.e., timing, allocation of closing costs, etc.) and (iii) at Lessee's election, other material terms of the proposed sale (the Sale Price, basic deal terms and such other terms, if applicable, being herein called the "Proposed Sale Terms"). Lessor shall have ten (10) business days from receipt of the Sale Notice to give written notice to Lessee (the "Election Notice") of its election to purchase the leasehold estate in accordance with the Proposed Sale Terms. No later than fifteen (15) days after receipt of an Election Notice, Lessee will cause to be prepared, and will execute and deliver to Lessor, a contract for sale of the leasehold estate containing the Proposed Sale Terms and other terms reasonable and customary for a transaction of such type. If a Sale Notice is given and Lessor has not delivered an Election Notice within ten (10) business days after receipt of the Sale Notice, or if having timely delivered an Election Notice, Lessor does not execute and deliver the contract within ten (10) days of its receipt of same from Lessee (as applicable, the "Offer Expiration"), then the right of first offer set forth herein shall automatically expire and Lessee may attempt to sell the leasehold estate

on the terms contained in the Sale Notice. If Lessee is unable to close on the sale of the leasehold estate at a gross sales price which is not less than 95% of the Sale Price and on business terms that are not materially better for the purchaser than the Proposed Sale Terms within nine (9) months after the Offer Expiration (as the same may be extended in the ordinary course of closing), then Lessor's right of first offer under this Section 10.3 shall be reinstated with respect to any other proposed sale under this Section 10.3. Notwithstanding anything contained herein to the contrary, the right of first offer described in this Section 10.3 will not apply to (i) any assignments, bifurcation and/or other transfers described and permitted in Section 10.1 above or (ii) the sale of condominium units as contemplated by Section 5.1.2.

(9) The Lease also includes a right and option to purchase Lessor's fee simple interest in the Ground Leased Premises at any time during the Term following the twenty-fifth (25th) anniversary of the Rent Commencement Date on terms more particularly described therein.

(10) The rent due and the other terms, conditions and rights and remedies of the parties hereto are specifically set forth in the Lease.

(11) As of the date hereof there are no uncured defaults under the Lease and the Lease is in full force and effect and enforceable in accordance with its terms.

(12) This Memorandum may be executed in two or more counterparts, each of which will be deemed an original, but all of which together will constitute the same instrument.

(13) This Memorandum is not intended to cover all of the terms and conditions of the Ground Lease and is not to be construed as restricting, enlarging or modifying the Lease in any respect. Lessor and Lessee possess executed counterparts of the Lease, to which reference should be made for the exact terms, revisions and conditions of the tenancy. The sole purpose of this Memorandum is to give notice of the existence of the Lease and certain provisions therein as more particularly referred to thereof.
